Norm Hamada, PharmD
Director, PGY1 Pharmacy Residency Program
Director, Clinical Pharmacy Services
Loma Linda University Medical Center
11223 Campus Street
Loma Linda, CA 92350

Dear Mr. Hamada,

I am writing to convey my genuine interest in the Post Graduate Year One (PGY1) – Community Pharmacy Practice program at Loma Linda University. I am currently a student at Loma Linda's Pharmacy School and I believe the PGY1 residency program provides all of the tools and resources for me to develop my career as a pharmacy technician.

I am among the top students at our school, with a 4.0 GPA. In addition, I have been highly dedicated to the field since I was young. My parents have a locally owned and operated pharmacy that I have been around since I was a child. In fact, growing up in that specific environment lead to my passion for health, medicine and wellbeing. Even though you can find me around their pharmacy most of the time, I also engage in classic cinematography and contemporary art.

As far as my studies are concerned, I am committed to permanently researching medicine even after my residency. I truly believe that participating in the Community Pharmacy Practice program will allow me to reach my full potential as a future professional. To support my application, I have attached two reference letters and a summary of my university projects to this letter. Please contact me if there are any other details you require to make your decision.

I look forward to hearing from you and I appreciate your time.

Kind regards,
Elsie Carson
