To the Graduate Program Director,

My name is \_\_\_\_\_ and I intend on applying to your \_\_\_\_\_ program starting the \_\_\_\_\_ semester. I have selected \_\_\_\_\_ as my first choice university, owing to \_\_\_\_\_.

I have been dreaming of pursuing a career in \_\_\_\_\_ since I was \_\_\_\_\_ years old. I first came into contact with the field when \_\_\_\_\_. Ever since, it has become a genuine passion that I would love to approach professionally as part of my future career. My ultimate long-term objective as a \_\_\_\_\_ is \_\_\_\_\_.

It would be a privilege to learn from the faculty at \_\_\_\_\_; I have read all about the tools and resources we access through the program and I believe they are all essential for developing as \_\_\_\_\_.

I appreciate your time and I hope that I will have the opportunity to prepare my career at \_\_\_\_\_ University.

Kindest regards,

\_\_\_\_\_
